

# Do you have

- BLOCKED EARS
- Hearing changes
- Infected ear(s)
- Swimmers ear
- Hearing aid(s)
- Ear plugs for work/hobbies

These issues and more can now be treated and managed with microsuction, the safe cleaning method for children and adults.

Education for ongoing issues, referrals to GP or the hospital for serious ear issues can all be managed by an Ear nurse specialist.

Ear nurse specialist Linda Akers is now running clinics at

- Napier Health Centre (Mon, Wed & Fri)
- Taradale Medical Centre (Tue & Thur)
